

Liebe Züchterfreunde und Liebhaber des arabischen Pferdes

DAS WELTBERÜHMTE ÄGYPTISCHE STAATSGESTÜT EL ZAHRAA IN KAIRO LÄDT EIN ZUM

ägyptischen Nationalen Championat und der
21. Internationalen Ecaho -B- Schau

El Zahraa ist und war stets mehr als nur eine Zuchtstätte des edlen arabischen Pferdes, speziell für die Züchter und Freunde des rein ägyptischen Arabers.

Der Name EL ZAHRAA hat etwas magisches und zwar nicht nur für Züchter und Liebhaber des reinen Ägypters. Es ist ein fast magischer Ort mit spannender Geschichte die zurück reicht zu den Zuchtstätten von Abbas Pasha I and Ali Pasha Sherif.

Jedes Jahr zieht die Schau in EL ZAHRAA viele Pferdeliebhaber, Züchter, Politiker, Botschafter und Scheich's aus der ganzen Welt an, um die Schönheit und Magie des arabischen Pferdes ganz aus der Nähe zu bewundern.

Ein hochmotiviertes, junges Team in EL ZAHRAA gibt sein Bestes, um den Zuschauern sowie den Teilnehmern eine tolle Schau zu bieten.

Aber da ist nicht nur die Schau, sondern weitere Aktivitäten während und nach der Schau, die angeboten werden. So stellen zum Beispiel Künstler und Fotografen ihre Werke aus und ein Schauprogramm versetzt die Anwesenden in 1001 Nacht. Die berühmten, tanzenden Pferde begleitet von der traditionellen, ägyptischen Baladi Muzmar Musik runden das Programm ab.

Die Egyptian Agricultural Organization / EAO möchte Sie deshalb ganz herzlich als VIP Gast einladen und begrüßen! Die Anreise nach Cairo (Flughafen) organisiert jeder Teilnehmer selber. Als VIP Gast profitieren Sie jedoch von folgenden Annehmlichkeiten:

- Abholung vom Flughafen inklusive Hilfe bei der Erstellung des Visums
- Unterkunft im Luxus Hotel JW MARRIOTT HOTEL CAIRO Ring road-mirage P.O. Box 427 Heliopolis, Cairo 11757 Ägypten Tel. +20 224 115588 zu Sonderkonditionen von US \$ 100.00 (EZ) / 110.00 (DZ) – inklusive einem hervorragenden Frühstücksbuffet plus lokalen Taxen
- täglicher Shuttle Service vom Hotel zum Anlassort und wieder zurück
- einen VIP Tisch mit Verpflegung und Getränken während der gesamten Schau
- eine extra zusammengestellte Farmtour von namhaften Gestüten in Kairo und Umgebung
- auf Wunsch eine organisierte Sightseeing und/oder Shoppingtour

Verpassen Sie nicht dieses einmalige Angebot, Teil eines unvergesslichen Events zu sein.

The Story of EAO

The Egyptian Agricultural Organization EAO - the Oldest Agricultural Institution in Egypt. Founded in 1898 and known at that time as the Royal Agricultural Society (R.A.S) then afterwards as the Agricultural Society Khidiwia *(Associate the name of the Khedive Ismail).

In 1952, after the Revolution it was given the name of the “Egyptian Agricultural Organization” (E.A.O), and supervised by the Ministry of Agriculture. The foundation purpose of the organization is to assist farmers in marketing their products and providing the requirements of agricultural production apart from representing Egypt in international exhibitions.

The activities of our organization are the following:

- To provide all the requirements of agricultural Seedlings of fruit, vegetables and ornamental plants.
- The provision of selected seeds of vegetable crops, field crops at the highest level of quality through local production or importations from abroad.

- Fertilizers and pesticides of all kinds (Nitrogen - phosphate - potassium – phosphorus-paper and composite) & acids by means of modern irrigation
- And provide all types of fungicides and insecticides and pesticides and nematodes Lazarus and biocides Agricultural equipment with suitable prices.
- The preparation of seeds for field crops and orchards in our stations prepare seeds scattered all over the Arab Republic of Egypt.
- Selling and distribution of several products such as seeds, insecticides and fertilizers through the organization outlets in various governorates to serve the needs of farmers, government agencies, companies and food security sector.
- Importing the best strains and hybrids that produce higher rates and resistance to most diseases.
- Establishing stations to prepare plant seeds' scattered in the various provinces of Upper Egypt (Bahtim - Tanta - Mansoura - Damanhur - Minya - Dirout) as well to participate in the seed industry to prepare major field crops (wheat - rice -corn - cotton) under the umbrella of the Ministry of Agriculture and Land Reclamation.
- The E.A.O shall carry out fumigation and fumigation processing of different agricultural crops,in addition, to manufacturing some types of agricultural machinery and maintenance work for agricultural tractors.

El- Zahraa Stud Farm For Straight Egyptian Arabian Horses

- El Zahraa stud was established in 1898 at BAHTEEM, North of Cairo. It is the mother farm and the essence for the Straight Egyptian Arabian horse breed in the world.
- In 1931 it was moved to Ain Shams desert in order to keep the horses in touch with their traditional environment. Currently, we have around 460 pure Arabian Straight Egyptian horses in El Zahraa stud farm,representing the most important bloodlines, families and strains of those horses.
- El Zahraa stud was among the five countries which has established the

W.A.H.O in 1970 and which includes now around 82 member countries.

- Our Stud Farm is the only authorized organization in Egypt for registering, stamping, tattooing blood typing the pure Arabian horses.

- In addition, El Zahraa stud farm supervises more than 900 private studs in Egypt including more than 8000 horses. It is responsible for the issuing of birth certificates, issuance of passports, registration, issuing pedigrees and STUD BOOKS in English every four years which have achieved almost 11 volumes until now.

- El Zahraa stud farm holds every year a big horse show in November of every year where there is a big audience from different countries and where a lot of private breeders compete for the championship in a big ceremony under the rules and supervision of E.C.A.H.O www.ecaho.org.

- El Zahraa stud has established a recent veterinary hospital covering some vet. Needs, ultrasonic for pregnancy diagnosis' and genecology problems.

All the above services are offered for private studs with economic fees.

- El Zahraa has a center for equestrian training and a valuable library which includes historical references ancient writing battle drawings from the 17 century and some medical books concerning medical branches.

- Moreover, El-zahraa stud arranges oriental horsedancing shows where professional, horse owners and amateurs could compete according to national regulation and rules set by some professional judges.

- Last, El Zahraa stud farm arrange for two auctions that are held every year where many breeders from Egypt and abroad compete in order to get of this blood stock.
